The first night of our traditional Triduum, celebrates the heart of our faith, salvation, and redemption: the death and resurrection of Jesus Christ. Triduum commemorates the Institution of the Eucharist, the passion, crucifixion, death of the Lord, His descent to the dead, and finally, His glorious resurrection on Easter Sunday morning. Along with the Ascension, these important events make up the Paschal Mystery. On this night priests honor the heart of their call to service by the washing of the feet of those in the congregation, the celebration of the Eucharist and the stripping and washing of the Altar. This three day celebration is considered "one service" which weaves through three days of worship. Come and enter into the Mystery.

Good Friday, March 29th 12-3pm, All Saints' Church

Good Friday is a day commemorating the crucifixion of Jesus Christ and His death at Calvary. This three hour observance is the second day of the Triduum and offers meditations in word, music, chant, prayer, the veneration of the cross and a beautiful Reading of the Passion. A communion of the body and blood of Jesus Christ will be offered for those who did not receive the night before or would like to receive again. People are welcome to come and go as they choose in silence.

Stations of the Cross, March 29th 6 pm St. George's Chapel

The Easter Vigil, also called the Paschal Vigil or the Great Vigil of Easter, is a service held in traditional Christian churches as the first official celebration of the Resurrection of Jesus. This year we will honor our call to tell God's story through the generations through the awakening of the new fire and welcome the new day through story, song and celebration.
